Thank you I will reach out Tara and Nathalie separately to set up recurring meetings.

Let's invite Jeffco to the next planning meeting and catching them up on our efforts will be the focus of that meeting.

Kerry,

It seems like Tara Webster and Nathalie Eddy will be the CDPHE folks participating in there planning meetings and coordinating across our agency. I have included them both on this email.

My understanding from the last meeting was that Terumo would make themselves available for the meeting. If you could please give Nathalie and Tara a few options for recurring planning meetings that work for EPA, they can let you know what that can make work.

Would you like to invite JeffCo to the next planning meeting or have a separate meeting with them?

Thanks
